**RECEIPT OF FREEDOM OF INFORMATION ACT REQUEST**

Dear Mr. Pfeiffer:

This letter acknowledges the receipt of your June 3, 2019 Freedom of Information Act (FOIA) request. You requested the following:

“Requesting photographs and other media, reports, newsletters, historical retrospectives, and other records documenting presidential and vice-presidential visits to Los Alamos, Sandia (both locations), and what is now Lawrence Livermore. To assist you with locating relevant records please note that the following list of Presidential and Vice-Presidential visits to these locations may be incomplete and partial and should not be taken as definitive for purposes of this search;

JFK: 1962 Los Alamos and Sandia (Albuquerque)  
Gerald ford: July 1974 Los Alamos  
Clinton: 1993 Los Alamos”

Your request was received in this office on June 06, 2019.

It is the practice of the National Nuclear Security Administration, in accordance with Departmental policy, to process FOIA requests in the approximate order of the date received by this office. Your request is out for a search for responsive records. A number of requests received prior to yours are pending, and your request will be processed in turn. We will make every effort to respond to your request as quickly as possible. Although we are committed to responding to your request in a timely manner, we estimate that we will not be able to respond to your request in 20 working days. We need more time to complete the search of facilities geographically separated from this office, review the record(s) for release, and prepare the response to you, as some requests, depending upon the volume of records, the complexity of the search, and/or the sensitivity of the subject matter, require additional time to complete. Reformulating or otherwise narrowing the scope of your request may result in a quicker processing time.

In your FOIA request you identified yourself in the educational/scientific category for fee purposes. Your request for that fee category is denied because we have determined the use of records you requested is for your commercial or profit interest. Based on our determination you are now considered a "commercial use requester." Therefore charges will be assessed to recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Our agency will recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records. This request is currently pending and processing will begin once we are notified of your willingness to either pay all fees, or notify us of the exact dollar amount of fees you are willing to pay. If we do not receive a response regarding your willingness to either pay all fees or your willingness to pay fees up to a stated dollar amount by June 25, 2019 we will consider your request invalid and will close it with no further action.

You may appeal our denial of fee category pursuant to 10 CFR § 1004.8(a). Such an appeal must be made in writing within 90 calendar days after receipt of this letter, addressed to the Director, Office of Hearings and Appeals, HG-1, U.S. Department of Energy, 1000 Independence Avenue SW, L'Enfant building, Washington, DC 20585. Your appeal must contain a concise statement of the grounds for the appeal and a description of the relief sought. Please submit a copy of this letter with the appeal. Please clearly mark both the envelope and the letter "Freedom of Information Appeal." You may also submit your appeal by e-mail to [OHA.filings@hq.doe.gov](mailto:OHA.filings@hq.doe.gov), including the phrase "Freedom of Information Appeal" in the subject line. Thereafter, judicial review will be available to you in the District of Columbia or in the district where (1) you reside, (2) you have your principal place of business, or (3) the Department's records are situated.

You may also contact NNSA's FOIA Public Liaison, John E. Weckerle, FOIA Officer, Office of the General Counsel, at 1-866-747-5994, or by mail at Department of Energy, National Nuclear Security Administration, Office of the General Counsel, PO Box 5400, Albuquerque, NM 87185, for further assistance and to discuss any aspect of your request.
